

Powerful Performance. Winning Results.

Showlamb Grower DX

Honor® Show Chow® Showlamb Grower DX feed is a completely balanced, high energy feed for growing show lambs and breeding sheep.

Honor® Show Chow® Showlamb Grower DX feed is supported by Purina Mills® Animal Nutrition. Get your best animals on Honor® Show Chow® Showlamb Grower DX feed today so they can reach their full potential.

FEATURES	BENEFITS
Fully fortified with all essential vitamins and minerals	For excellent muscle growth and body condition
Textured feed containing a mixture of high-quality processed grains, cottonseed hulls and molasses	For improved palatability and nutrient utilization
Formulated to provide a combination of both bypass and rumen degradable protein, using all-natural protein sources	Balanced rumen degradable and undegradable protein sources improve growth and muscle synthesis.
	Provides critical highly-available minerals that helps immune response which is critical for healthy traveling show lambs Helps maximize growth and muscle development- allows lambs to reach their full potential
 Confidence at the gut level™	A true, fully fermented yeast culture developed specifically for optimum animal nutrition. Research proven, Diamond V has a unique ability to enhance ration digestibility, palatability and intake by delivering a rich, all-natural nutrient source to the animal's digestive bacteria.
	Research has shown that TASCO® helps lower body temperature during heat stress – helping keep animals on feed.
Ammonium Chloride	Helps to reduce incidence of urinary calculi (water belly)
Medicated with Deccox® (decoquinate)	For the prevention of coccidiosis - helps support normal immune system

Medicated for growing and finishing sheep. For the prevention of coccidiosis in sheep caused by *Eimeria bakuensis* and *Eimeria crandallis*, *Eimeria ovinoidalis* and *Eimeria parva*.

Caution: Use as Directed

Active Drug Ingredient: Decoquinate (15.13 g/ton) 0.001664%

FEEDING DIRECTIONS

Honor® Show Chow® Showlamb Grower DX is designed to be fed to grow/finish lambs intended for the show ring. We recommend feeding each lamb ¼ flake or ¼ lbs of a good quality hay per day along with Honor® Show Chow® Showlamb Grower DX. This feed may be fed to show lambs of any age or weight. Feed 0.3 lb of Honor® Show Chow® Showlamb Grower DX per 10 lb body weight to provide 22.7 mg Decoquinate per 100 lb body weight daily. Always provide plenty of clean, fresh water. Feed at least 28 days during periods of exposure to coccidiosis or when it is likely to be a hazard.

Caution:

Do not use in feeds containing bentonite.

Warning:

Do not feed to sheep producing milk for feed.

Reminder:

Feed is perishable and should be stored in a clean, dry, well-ventilated area so it will remain fresh and palatable. DO NOT feed moldy or insect infested feed to animals as it may cause illness, abortion or death.

Fresh, clean water should be available at all times.
